

U19 Rugby!

Last Updated Friday, 12 February 2010

U19 Boy's & Girl's Rugby:

The Erie Rugby Club has teamed up with The Boy's & Girl's Club of Erie to offer Rugby to ANY Erie area boy or girl aged 14-19 years old, regardless of school affiliation. No Experience Necessary! Rugby is a spring sport, and is a great way to stay in shape during your typical off-season. We have USA Rugby certified coaches on hand, and are poised to begin our 2010 Spring season!

The U19 program is in our 2nd actual playing season, and we are picking up more and more players from the Erie area. We are associate members of the Allegheny Rugby Union, and proud members of USA Rugby. This spring, we will be setting up a regular match schedule...as opposed to the rather short 2009 Schedule. All players must be actively enrolled in any of the local high school and under the age of 19 to play for the U19 Team. If you are 19 or older, please feel free to check out our Men's team!

Practices are held at the Boys & Girls Club of Erie (Gymnasium until the weather breaks), located at 1515 East Lake Road. Practices are on Tuesday and Thursday evenings from 5:30pm until 7:30pm beginning on February 16th 2010. Any new players are welcome to join at any time throughout the season...even if just to watch at first. Rugby is the fastest growing sport in the country, and for good reason! Come out and see why!!
